**We’re so happy to see you.**
To ensure the safety of our employees and guests, we’ve made operational changes to our restaurants.
Limited interaction, contactless payment, disposable menus, and additional sanitation practices are just some of the many adjustments we’ve made to exercise caution during this time.
Rest assured, no changes have been made to the delicious contents of our pie.

**Thank you for your support.**
In working to create opportunities for our staff during these uncertain times, a 10% Hospitality Fee will be included in your bill to allow us to provide a $15/hour minimum wage. Incremental tipping is allowed and encouraged. If you have any questions, please don’t hesitate to request a manager.

**Guests with food allergies, please ask for a manager.**
*Eating raw oysters may cause severe illness and even death in persons with liver disease (i.e. alcoholic cirrhosis, hepatitis, etc.), cancer, and other chronic illnesses that weaken the immune system. There may be small bones in some fresh fish. Some wines and maraschino cherries contain sulfites. Some dishes contain bacon (lucky you).
