BEER

Ask a server for our selection of premium and domestic brews, as well as Texas crafts.

THANK YOU FOR YOUR SUPPORT.

From our chefs and staff to our friends and family, every person’s safety is our priority. We have increased operational measures such as tests, protective equipment, and additional cleaning hours needed to safely serve you. If you have any questions, please don’t hesitate to request a manager.

WE’RE SO HAPPY TO SEE YOU.

To ensure the safety of our employees and guests, we’ve made operational changes to our restaurants. Limited interaction, contactless payment, disposable menus, and additional sanitation practices are just some of the many adjustments we’ve made to exercise caution during this time. Rest assured, no changes have been made to the delicious contents of our pie.

GUESTS WITH FOOD ALLERGIES, PLEASE ASK FOR A MANAGER. Contains nuts.

*Eating raw or undercooked foods may cause severe illness and even death in persons with liver disease (i.e. alcoholic cirrhosis, hepatitis, etc.), cancer, and other chronic illnesses that weaken the immune system. There may be small bones in some fresh fish. Some wines and maraschino cherries contain sulfites. Some dishes contain bacon (*lucky you*).
